

Annotated Agenda
For purposes of assessing roles and responsibilities

Climate Action Team: Transportation Implementation Working Group

Monday, June 2nd, 9:00 a.m. – 12:00 p.m.
Seattle-Tacoma International Airport
Moscow Room
1-800-704-9804 783712#

- 9:00 AM Welcome, Agenda Review, and Introductions (20 minutes)**
- 9:20 AM CAT Process and the Transportation IWG (15 minutes) – DOE/CTED**
- 9:35 AM Preview of Partner ongoing VMT-Reduction Programs (55 minutes)**
- **Each Partner will be asked to provide brief descriptions, prior to the meeting, for work their organizations are doing to reduce VMT.**
 - **Four Questions to Answer:**
 - **How does the program help reduce VMT?**
 - **What is happening now (current status/activities)?**
 - **What can we be doing with existing resources to enhance the program's ability to reduce VMT?**
 - **What could we (or should we) be doing with additional resources? (i.e. where are the opportunities for growth/enhancement)?**
- 10:30 AM Review of the CAT I Transportation Related Recommendations (30 Minutes)**
- 11:00 AM Identification of additional VMT-reduction strategies for Transportation IWG consideration (45 minutes)**
- 11:45 AM Next Steps and Action Item Review (5 minutes)**
- 11:50 AM Public Comment**
- 12:00 PM Adjourn**
